Welcome to this gorgeous two-story family home, located in the highly desirable and beautiful City of Eastvale California. This property features 3,299 sq. ft. of luxurious living and sits on a cul-de-sac. This home features many amenities that will excite new homebuyers, from Granite Countertops, new flooring, stainless steel appliances, and walk-in pantry making it a true chef kitchen. This home ranks high with its spacious large open floor plan great for entertainment, it's prewired for speakers. It also features five-spacious bedrooms, two masters bedrooms, four full bath, a formal dining room, a den and bonus/loft and a bedroom with bath on the first floor great for an office or in-laws suite. It also has a four car garage (yes a four car garage). This beautiful home has a superb lush garden that has been maintained by it's owner and has speakers with led lights to bring that out-door living to life. It's walking distance to schools, shopping centers, parks, and trails. Easy to show, wont last, luxury living at its finest .
