The kitchen has stainless steel appliances and granite countertops. The remodeled bathrooms are a beauty, and you will spend many hours in the soaking tub in the master. Don't want to carry the laundry up and down the stairs? stick it in the Elevator and it will be in waiting for you – or ride with it downstairs. Is Grandma going to be living with – it will be safe for her to take the Elevator instead of the stairs. Looking to save Money? How about the paid off solar panels! You will also save money with the low taxes and NO HOA. The large loft can hold all your games or a pool table – or turn it into a bedroom suite.
