Property Description

Stunning pool home with no HOA & PAID solar!! Nestled on a quiet street in the beautiful fast growing city of Eastvale, this home features a massive open floor plan with 5 bedrooms & 4.5 bathrooms including a downstairs bedroom and ensuite bath. Upon entering, you will be captivated by the high ceilings, splendid central staircase and gorgeous laminate wood flooring. The gourmet kitchen comes fully equipped with a double oven, marble countertops, wine cooler, shaker cabinets, subway tile backsplash, vast kitchen island and stainless steel appliances. Family room is adjacent to the open kitchen and includes a rich stone accent fireplace. Upstairs features a huge loft that's perfect as a game room or exercise space, spacious bedrooms, large bathrooms and a master suite with 2 walk in closets. The master bathroom includes dual sinks, walk-in shower, bath tub and plenty of natural light. The backyard is ideal for entertaining with a built in fire pit, artificial turf, alumawood covered patio with ceiling fan and hooks ups for outdoor TV. Newly installed pebble tech pool and spa with automated controlled LED lights and state of the art Pentair heating system. Short distance from parks, restaurants, shopping, FWY & high rated schools! This is one beauty you do not want to miss!!
