Description

*Pride of Ownership***TurnKey Single story***Professionally Landscaped Front and Rear- 4 bed/2 full bath home on the West End of S. Corona. As you enter the Foyer, one cannot help but be impressed by the Open Formal Living/Dining area complete with inviting fireplace. The kitchen has been updated with Corian Counters, black double oven, dishwasher, cooktop, updated sink and fixtures. The family room is spacious and leads right into the backyard through one of the sliding doors. Down the hall one will find the four bedrooms including the master suite which has its own door leading to the back yard as well as two huge closets and a spacious master bath with Tub/Shower and dual sinks. The remaining three bedrooms are spacious and there is even an indoor laundry area with complete with a door that leads to the garage. The interior paint was recently re-done, flooring as well as the HVAC system all windows and sliding doors. The rear yard offers lots of room for a pool or man cave bbq area. There are fruit trees and even an amazing view! This home will not disappoint!*
