Description

Truly an amazing single story pool home in the highly desirable & established community of Fairview Estates in North Corona! Owner has spared no expense recently upgrading most everything in this home inside & out! Some interior features include wood shutters, dual pane windows, upgraded AC/Furnace, new ductwork with scrubber & electronic air filter, new 200 amp panel, hand scraped Hickory hardwood flooring, marble counters, custom cabinets & built-in's w/lighting throughout! Beautiful kitchen w/marble counters & new appliances! Master features a custom walk-in shower with 3 shower heads, a full length mirror with cabinet, and the guest bath has a waterproof TV built into the wall above the tub! Also featuring a 3 car garage loaded with cabinets plus an automated lift that carries up to 750lb up to your attic storage! Dream back yard expands your living space outside with a newer custom Bogner Pool & Spa, an incredible custom patio with outdoor living area w/fireplace & entertainment center, and an outdoor BBQ/kitchen too! Recently installed turf in "grass" areas front & back! No Mello Roos & No Association Fees!
