Property Description

Beautifully remodeled sweet and charming home, directly adjacent to Beverly Hills and all of the world famous restaurants and shops. Pitched roof ceilings creates a warm, open space, with hardwood floors throughout, Viking stainless steel appliances, and a private closed garage. Each bathroom has gorgeous marble accent, alluring to the modern classic lifestyle this home embodies. The lovely backyard space, accessible from the primary bedroom and kitchen, has alfresco dining space which completes the home. The home highlights smart home features built in and synced with Google Home, such as a Google doorbell, nest thermostat, Smart lights, and speaker system. This home simply creates a natural relaxing oasis.
