Description

Nestled in the heart of the Inland Empire's Premiere Golf Course Community, Eagle Glen, this "Turn Key" Single Story home will delight! There is an abundance of rooms in the home including the formal living and dining area to the open kitchen and breakfast nook complete with Maple Cabinets, Granite Counters and even a pantry and is next to the Laundry Room! The Kitchen offers a center island which hosts the kitchen sink and Dishwasher, offers a breakfast bar and faces the great room so one can visit their guests while preparing meals! The Master suite is huge and is on one side of the home and even offers a sliding door that exits out to the sparkling pool and spa area! The Master bath is spacious offers a separate tub and shower and a huge Master Closet! The remaining three bedrooms are on the opposite side of the home and are all spacious and share a separate full bath complete with two sinks. The rear yard is spacious, offers a covered patio a recently re-surfaced pool (with Pebble Tech Coating). The pool is gas heated and also has a solar powered heating system that is paid off. The pool is surrounded by a mesh gate system which is easily removable. The HVAC system is newly replaced with a modern energy efficient system and the home also has a Solar Energy system that is fully paid for! The perfect bonus to this home is the 3 car garage which offers plenty of storage for your vehicles and those items that just don't have a place in the home!
