Property Description

This is the Northridge POOL home you've been looking for! The double door entry leads into the open floor plan featuring an over-sized living/family/dining room which is also open to the kitchen/breakfast room. The kitchen has hardwood cabinets, well-built with dovetailed drawers and specialty cabinets. Lots of prep space on the granite counters with room for a breakfast table. The living room features high gloss 24x24" tile floors recessed lights, and French doors leading out to the backyard. Even the hallway has its own special features! There are 2 very large storage closets in the hall. Master bedroom features a 3/4 en suite. The other 2 bedrooms share a well-appointed family/guest bathroom. As fabulous as this home is, it's really the backyard that you will fall in love with. This low maintenance backyard has lots of seating and entertaining areas, but still has plenty of grassy area for children and pet to play. You can see from the pictures the backyard is very private. The pool will keep you, your family, and friends entertained all year! The garage was finished last year and offers lots of storage as well as space for 2 cars. If you are looking for a home in Northridge, don't miss seeing this one!
