## Property Description

Rare to the market is this custom-built estate situated in prestigious South Hemet on almost 2 acres of privacy. This home has over 4,000 square feet of living space and offers 5 bedrooms and 5 baths with 3 Master suites and stunning panoramic views of the city and mountains. From the moment you walk in, you'll be impressed by the luxurious finishes throughout, including authentic hardwood flooring, high ceilings, built-ins, and tall windows with abundant natural light. The gourmet kitchen is a cook's dream, with plenty of space to entertain guests or host large gatherings. And when it's time to relax, enjoy your private built-in Sauna in the main Master suite, then head outside to the private backyard where you can take a dip in the pool or simply enjoy the incredible views from the expansive decks. The property has its own private driveway with a security gate and a 4-car garage. This home has endless possibilities and waiting for you to make it your own.
