Property Description

Are you looking for an affordable large house? Well, you definitely don't want to miss this one! This home offers over 2,300 sf of living space with 4 large bedrooms and 2.5 bathrooms. This home features a flexible floor plan that, when you use your imagination, you could do so much with. The large living room has an additional den that could be an office, a tv room, she shed, man cave, or even an extra bedroom if the 4 existing bedrooms are just not enough for your family. There is a separate laundry room off the large kitchen. The kitchen opens to a large family room with a gas fireplace. A slider leads out to a low maintenance back yard with a detached garage which could be converted into an ADU or use it as a garage and for extra covered parking there is also a covered car port. Ok back to the house 3 of the 4 bedrooms have walk-in closets! Wait, didn't I say it has a flexible floor plan? Well, there is a bonus room on the top floor that could be another bedroom, game room, office, whatever you want! Are you excited yet? The entire interior was just painted, and all the carpet is brand new! Yes, you may think that this house still needs some love, but that is why we gave you a head start and made it affordable.
