Property Description

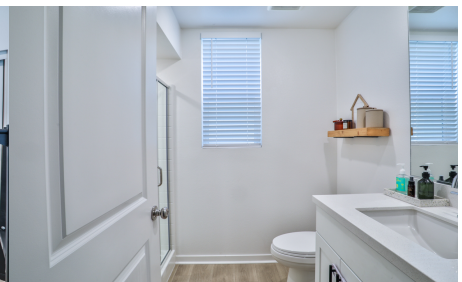

This Plan 2 Home at Serrano offers an exquisite floor plan, encompassing 2,059 square feet of thoughtfully designed living space. At the heart of the home, a spacious kitchen seamlessly flows into the dining and gathering rooms, creating an ideal space for both daily living and entertaining. The large kitchen island serves as a perfect centerpiece for hosting guests. A well-positioned guest bedroom and bath on the main level provide privacy and convenience. Upstairs, the private owner's suite offers a tranquil retreat, complemented by a luxurious bathroom featuring dual vanities, a soaking tub, a separate shower, and a generous walk-in closet. The second level also boasts two additional bedrooms that share a full bath, along with a versatile loft for extra living space. Designed with comfort in mind, this home includes high-end upgrades such as quartz countertops and wood laminate flooring. Taylor Morrison's signature craftsmanship is evident in the soaring ceilings, expansive floor plan, designer paint, and modern exterior. The quaint rear yard is the perfect spot to relax, and residents can enjoy the community pool and spa for ultimate leisure and relaxation.
