Westside Living at its best in this Fully Remodeled Westchester condo. This unit is open and bright with natural light flowing through the open courtyard through the huge picture window, filling up the spacious and open living room. The living room also features a comforting fireplace and 10' ceilings. The kitchen is beautiful with brand new custom-made white shaker cabinets, paired with black hardware and quartz countertops with an overhang for additional bar stool seating. Just off the kitchen is a dining area and a pantry closet. To top it off, there are brand new Whirlpool stainless steel appliances that will transfer to the lucky new buyer. The primary suite has vaulted ceilings, 3 separate closets, a sitting area next to the fireplace and a fully remodeled en suite bathroom. The 2nd bedroom is spacious with tree top views out of the window. In the hall is a laundry closet with hookups for a stackable washer and dryer. This home also has central heating, A/C, and double paned windows. You also receive 2 tandem parking spaces in the gated secured parking garage. HOA Amenities include a fitness room and Jacuzzi. Location is great as well with easy access to the 405 FWY, less than 5 minutes to the Westfield Mall in Culver City, 10 minutes from LAX, 10 minutes from the Howard Hughes Center and 15 minutes to the Beaches!
