Property Description

You'll love this feature-packed, turnkey, Charter Oak condominium located near the western edge of the Sunflower Village community. The fully remodeled kitchen features newer granite counters and newer cabinets with pullouts for pots and pans. All three bathrooms are fully remodeled with new vanities, faucets, fixtures, and lighting. Laminate flooring in the living room and loft provide a warm and inviting atmosphere. Tired of cramped bedrooms? This is the place for you! Upstairs features two large bedrooms with walk-in closets and two bathrooms. The primary bedroom has its own en-suite bathroom for privacy and a sliding door to the balcony where you can enjoy the warm summer evenings. Upstairs also has a large loft that could triple as an office, guest room, and family room. What would you use it for? Central heating and A/C will keep you comfortable during all seasons, and you can cool off in the sparkling pool during warm summers. To simplify unloading groceries, the door at the back of the unit conveniently gives direct access to the fully-finished, 2-car garage. Charter Oak park, the new Glendora Market, Costco, Target, Trader Joe's, Home Depot, the AMC Theater, and Wal-Mart are all within just a few minutes' drive (per Google). Combine all this with Charter Oak schools, easy access to the 210 freeway, and a variety of other local shopping and dining options, and you've got a great home to house a great life. Welcome home!
