## Property Description

Detached beautiful home in the gated community of Sycamore Crossing has the open floorplan you've been looking for. Tall cathedral ceilings give it a light and bright feel. New AC/Heater. Newly painted inside and outside. Clean laminate hardwood floors and pristine plantation shutters throughout. Fresh white cabinets, quartz countertops, and a large center island with plenty of storage. Two laundry rooms allow for less laundry days or the option of downstairs garage access or upstairs closet use. Easy to maintain back patio. Low HOA fees with a great pool, spa, and playground. Privacy, space and location makes this a perfect home!
