Property Description

Just imagine your family in this lovely home in a great neighborhood in Glendora! This beautifully landscaped and maintained home features lots of natural light beaming through the upgraded dual paned windows. As you enter into your new home you will find the quaint living room that leads to the dining room and the kitchen with nice appliances including a new microwave. Off that kitchen, you will find a dining area and on the other side, an indoor laundry area and guest bath. Down the hall, you will find three spacious bedrooms (ceiling fans in two of the rooms) and two bathrooms. One has a great-sized bathtub. The attached two-car garage has direct access from the backyard and is very spacious with a workbench included. There is a great-sized backyard with block walls surrounding and a covered patio for the family to spread out and enjoy the picturesque natural garden of wildflowers that attract birds, bees, and butterflies. The front yard is drought tolerant with a drip system on a timer and an additional newer hardscape and gorgeous wood gates to allow for access to the backyard. On the sides of your home, you will find outdoor space for additional potential toy storage. Don't miss out on this great home that's centrally located near shopping, restaurants, and so much more! Make us an offer we can't refuse!!
