Property Description

Welcome to this beautifully renovated two story townhome style condominium in the desirable Casa Del Sol community, located in the heart of Monterey Park. Offering 3 bedrooms and 2 bathrooms across approximately 1,232 sq ft, this home combines modern updates with everyday functionality. The property has just undergone a major renovation, featuring a brand new kitchen, updated bathrooms, new flooring throughout, and stylish new countertops. These upgrades give the home a fresh, move in ready feel that today's buyers will love. As you enter, enjoy the enclosed front patio, perfect for morning coffee or relaxing outdoors. Inside, high ceilings and large windows enhance natural light and create a bright, welcoming space. The main level includes a bedroom or office, full bath, and convenient laundry area, while the upper level offers two additional bedrooms and a shared bathroom. For relaxation, the community offers a sparkling pool. Additional features include two assigned parking spaces (#61 & #62) and two overhead storage units. With low HOA dues of \$170 per month covering pool, grounds, trash, and water, this home offers exceptional value. Situated in a prime location close to schools, public transit, shopping, and dining, this fully updated home is ready for its next owner.
