Property Description

This One-of-a-kind, 'newer' state of the art 2400 sq ft, detached single family home was custom designed by a top interior decorator and has 4 bedrooms, 4 bathrooms and is a smart house with a custom 'Elan Smart Home System'. It's designer perfect & looks like a brand new model home with all the bells & whistles. It has every possible upgrade, a 3 car attached private garage with direct entry into the unit & it's designed for a grand private lifestyle with a large rear patio and a small grassy private yard. The home has, custom wood flooring, Caesar quartz stone counter tops throughout & designer floating cabinetry in all the bathrooms. This upscale home is light & bright, with high ceilings, open floor plan with multiple sitting areas, a spacious dining area, a center island in the kitchen & a separate laundry rm. The gourmet kitchen features high end commercial grade appliances, including a second refrigerator/freezer in the center island. The upstairs master suite has a large walk-in closet with built-in cabinetry, a modern stand-alone soaking tub & a double vanity. This uniquely designed modern single family home offers upscale living at its best, in a prime, premiere neighborhood. It's truly a 'one of a kind' beautiful, detached single family home.
