Property Description

Most desirable neighborhood in Corona Hills with nearby shopping centers, fine dining, easy access to 15 & 91 freeways. This expansive residence includes nearly 4000 square feet of living space with 5 bedrooms and 4 bathrooms! You are greeted by high vaulted ceilings throughout which adds to the open feeling as you enter the formal living with fireplace and dining, primary bedroom with retreat room, full bathroom, walk-in closet, His and Her's vanity sink, soaking tub, and separate shower, 3 secondary bedrooms, 1 full bathroom, library/office with full bathroom, laundry room, spacious family room and kitchen, breakfast nook area, prep-island, and bar stool counter tops. Endless possibilities on the second floor with a living room, bedroom, bathroom, walk-in closet, laundry area, view of the city lights, and a private access allowing for a perfect setting as an ADU or MULTI-GENERATIONAL living. As you exit into the backyard through the French doors, you are presented with lush, manicured greenbelt landscaping, matured shade and fruit trees, custom built planters, possible RV access, 2 car garage with 1 tandem, a built-in sink in garage, 2 tankless water heaters to service the main floor and second floor, newly installed central air conditioning & heating system (coil & compressor) on the first floor in August of 2020 and second floor has own separate central air conditioning & heating system, upgraded post tension foundation slab, generous corner lot size with an elevation slope to enjoy city views.
