Property Description

Beautiful move in ready 4 bedroom, 3 bathroom home featuring a downstairs bedroom and full bathroom + 3 car garage, located in the Orangecrest area of Riverside. Step into the spacious entryway to soaring vaulted ceilings that flow into the formal living and dining rooms. Both rooms feature plantation shutters which can also be found throughout the home, as well as wood flooring. The kitchen is conveniently located just off the dining room, perfect for entertaining guests. The kitchen has stainless steel appliances, plenty of counter space, a spacious pantry as well as views of the very private backyard. Just off the kitchen is the eating area and family room featuring a fireplace. Rounding out the downstairs space is a bedroom and full bathroom + the laundry room adjacent to the 3 car garage. Upstairs you'll find the spacious master bedroom which features vaulted ceilings and a private patio overlooking your backyard. The attached master bathroom boasts dual sinks, separate soaking tub, shower stall, toilet closet and spacious walk in closet. The remaining 2 bedrooms share the 3rd bathroom located in the hallway. With no neighbors located directly behind you, the backyard is a private sanctuary to relax in. Features of the yard include a covered patio offering shade on hot summer days, the flower beds with roses blooming and the custom brick pathway leading to a raised gazebo that overlooks the yard and the private space behind your home. One of the most unique and exciting features of this property lies just beyond your backyard property line to a spacious strip of land, while owned by the city, that can be developed as you choose, extending the opportunities available for your outdoor living space. Conveniently located, this property is just minutes from the 215 Fwy, walking distance to Bergamont Park, and a five-minute drive to shopping, restaurants, retail stores, and schools.
