Property Description

Come see this beautiful single-story home located in a tree-lined street community with nearby schools, shopping, parks and community services. This home has 4 Bedrooms, 2.5 Bathrooms and just under 2,000 sq/ft of living space. The spacious Living Room has a cozy wood-burning Fireplace and the expanded Kitchen is perfect for the family Chef with included built-in Sub Zero refrigerator, large center island and huge stove that will make them want to start cooking right away! This home also comes with a fully owned water softener system, an attic fan to help on those warmer days and a solar power system that will save you thousands in energy costs! With a 3-car garage, space for RV parking and a backyard with space for a relaxing in-ground pool, this home has it all! Call today to schedule your private tour of this fantastic property before it's too late!
