Property Description

Absolutely stunning, elegant, 5 bedroom Front unit is absolutely gorgeous! Tucked away on the south side of the street, this custom built, freestanding home possesses a beautifully manicured south facing back yard with a tropical feel. Rare floor plan is highly sought after with downstairs bedroom. Upon entering the front oversized door, one will find an open, spacious living room with fireplace, fish tank and dining area. Beautifully designed kitchen features granite counters, tile back splash, large gourmet cooking island, an abundance of cabinet space and stainless-steel appliances. Large rear-sliding-door open up to a beautiful back yard with Jacuzzi, BBQ and soothing built-in water feature. So much natural light pours into every room of this home! First level includes a spacious guest bedroom or office with a full bath across the hall. Dramatic grand staircase takes you up to a large, west facing loft with rooftop and street views. Thoughtfully designed, 2nd level floorplan has a total of 4 bedrooms all with private balcony's plus an oversized laundry room. Master bedroom has an intimate balcony, large fireplace and generously appointed walk in closet. In the master bath you will find high ceilings, skylight, large jetted tub, dual sinks and a walk in in shower. Intricately designed ceilings and arches throughout this home set it apart from the rest. Property features, hardwood and travertine stone flooring, 5" baseboards throughout, Plantation Shutters, LED lighting, water softener system, central vacuum system, Fire Sprinklers, Pre-Wired security system, Whole house intercom & Solar Panels. 2 car garage w/ storage. Award winning Redondo Beach Schools! A must see!
