Property Description

Welcome to one of the prestigious residence in the Centennial community! This house is immaculate inside and outside! with an open-concept kitchen, formal dining area, with a bright living room. The kitchen has granite countertops, warm wood cabinetry to the ceiling, an oversized center island, upgraded back splash, stainless steel appliances, beautiful chandeliers over the island, walk-in pantry, hardwood floors. The dinning area has a wet bar/coffee area. The luxurious master suite is a sanctuary privately tucked away and features a spa-like bathroom with dual vanities, soaking tub, separate shower and a private toilet room with a walk-in closet. The Den is any kids dream, an amazing play house a custom bed with plenty of storage. Step outside through your beautiful 2 glass panel sliding doors to discover a California Room, seamlessly integrating indoor and outdoor living while offering an ideal setting for hosting gatherings. The entertainer's backyard creates an oasis for your enjoyment. With Solar panels. A very LOW HOA allows you the rare opportunity to reside in this pristine community minutes from parks, schools, shopping areas and close to freeways!
