Description

Turnkey Upgraded 3 bed, 2 bath home in the Resort Style Living Community of Bedford South! The home boasts an open Great Room on the ground level with Pantry, Center Island/Breakfast Bar and Guest Power Room. The counters are upgraded Quartz and the Stylish White Cabinets are Upgraded Quiet Close and appliances are stainless steel including the Freestanding Oven, Dishwasher, Microwave and refrigerator! All bathrooms and fixtures are also upgraded with quartz. Their is a stylish combination of upgraded carpet, wood grained laminate flooring and I would be remiss if I didn't point out the Designer Paint throughout the home. The master suite is decadent and the Master Bath large and open with quartz cabinets, spacious walk in shower and huge Walk In Closet. The two rooms are separated by a sliding barn door which will certainly delight. The upstairs offers a Laundry Closet complete with stackable washer and dryer and the remaining bathrooms are spacious as well. All appliances are energy efficient, including the tankless water heater mounted in the spacious two car garage. The ommenties that are provided in this neighborhood are amazing as detailed in our photo's as well as our virtual tour, please be sure to view all. This home is equipped with Solar which is reasonably priced, easily assumable and truly saves on the power bill. This will not last, so move quickly.
