Property Description

Welcome to your spacious single story home. This 3 bedroom 2 bath 1,898 square foot residence sits on an over 9,000 square foot lot with a fully landscaped front and backyard. Recent upgrades include a custom paver driveway and updated exterior. In addition to the 3 bedrooms, this home features a permitted guest or mother-in-law suite including a bonus room along with a full bath and its own exterior entrance. A large temperature controlled sun room is located in the rear of the home where you can relax and enjoy a nice book or have a beautiful hangout area with guests. This home has been well taken care of and is equipped with updated items which include: A/C unit, roof, water softener, and solar panels. This home has it all with nearby freeway access and minutes from shopping, dining and parks.
