Few years young single story home with 3 bedrooms + den and NO HOA's! This home features both eco & budget friendly drought tolerant landscaping & solar panels! The spacious entryway has tile flooring that leads you to the huge open floor plan kitchen, living and dining space. You'll never run out of cabinet or counter space in this kitchen which also features a large island with bar seating, recessed lighting, massive walk-in pantry, stainless steel appliances with a dual oven stove. Down the hall you will find 2 large bedrooms and a spacious den or office, which features a walk-in closet, making it easy to turn this space into a potential 4th bedroom. The hallway bathroom comes with dual sinks & privacy door to the shower & toilet. The large master bedroom is separate from the other bedrooms, complete with a large master bathroom featuring a separate shower/tub, dual sinks & huge walk-in closet. The backyard has a sprawling alumawood covered patio with led lights & 2 lighted ceiling fans in the very private backyard. With this home just built in 2018 it has built in fire sprinklers, tankless water heater, and rain gutters. Close to the freeway, shopping centers, and great hiking!
