Perfect multi-generational home featuring solar panels that save you \$\$ all year long + NO HOA. Step into the spacious formal living & dining rooms featuring low maintenance tile flooring & high ceilings that flow into the updated kitchen. The beautiful kitchen features recessed lighting, granite counters, large island with breakfast bar, huge pantry, & spacious eating area. Located just off the kitchen, the huge family room is light & bright with lots of natural light & lighted ceiling fan. The downstairs den is located just off the family room, perfect as an office or guest room. The full downstairs bedroom + full downstairs bathroom is perfect for multi-generational families or frequent guest. The laundry room is huge w/storage, counter space, sink, & direct garage access. The master bedroom is a private sanctuary with a huge master bedroom & equally large retreat. The master bathroom includes dual sinks, shower, soaking tub, vanity, toilet closet, & large walk in closet. The remaining 4 bedrooms are all spacious & feature lighted ceiling fans & all but 1 has mirrored closets. Gorgeous wood laminate flooring flows throughout the majority of the home. Spacious backyard is low maintenance & drought tolerant with beautifully landscaped patio & faux grass with raised patio area, perfect for a BBQ. Other notables are the cost saving solar panels, no neighbors behind you, & NO HOA. Don't miss out... a home in this condition won't last long.
