Property Description

Find sanctuary in this 1920's hillside charming bungalow that boasts canyon, treetop, and LA views!!! Extremely bright and airy with windows that bring in lots of natural light and built-in cabinets loads of charm. This feel-good home has comfort and practical living. Renovations include electrical, copper plumbing, HVAC, roof, newer kitchen with quartz countertops, new appliances, custom light fixtures and newer floors throughout the home. Backyard deck that serves as the perfect tranquil escape for your coffee sunrise or sunset gazing while you enjoy the beautiful drought resistant blooms around you. Located in the hip and trendy area of Los Angeles, known as Highland Park. Walking distance to York Boulevard and North Figueroa where you will find hip eateries, boutiques, shops, and a lively cultural scene. 15 minutes from Down town LA, 10 minutes Dodger stadium and a few blocks to Gold line.
