Features include 3 bedrooms and 1 Bathroom with an attached direct access 2 car garage. This home also has double paned vinyl windows and central heat and A/C. The kitchen is spacious with large amounts of storage. From the kitchen you have direct access to the garage and also direct access to the covered side yard which leads to the back yard. The home currently has carpet but under the carpet are beautiful original hardwood floors. The primary bedroom also has a sliding glass door that opens to backyard patio. The backyard is spacious with plenty of room for a family or to host gatherings.
