Property Description

Welcome home to this updated sleek and contemporary beach home in the highly desirable back bay of Huntington Beach!! As you walk through the front door, you will notice the living room, complete with recessed lighting and new durable flooring throughout, perfect to come home to after a day at the beach. The fireplace, framed by two large windows, provides a cozy atmosphere as the ocean breeze blows through the house. The kitchen features newer appliances, quartz countertops and lots of storage space with custom window shades. Pantry cabinets include outlets for appliances such as a wine refrigerator and microwave. The kitchen window has a pass through feature to the patio, perfect for entertaining. The private back patio also features a brand new vinyl patio cover, with direct access to the garage and a dedicated parking space. As you make your way up the freshly carpeted stairs, you will find two primary suites with attached bathrooms and ample custom closet space. New window coverings, new ceiling fans, a new water heater, a newer furnace featuring an Air Scrubber Plus and updated finishes complete your beachy oasis. The bamboo accent walls, high end vanities and designer tile truly reflect how close you are to the water. This charming home is only a short walk to the pool, but far away enough to enjoy the tranquility this community offers. Conveniently located within walking distance to Trader Joe's, shopping, parks and restaurants, you have to experience this gem for yourself!!!
